"Steam" it by hanging it inside the bathroom during a hot shower or two.

DO NOT IRON.

If you're decorating your cap, make sure it is

APPROPRIATE. Do not decorate your gown.

**DON'T WEAR SHOES
YOU CAN'T WALK IN!**

Dress shoes preferred.

TIPS FOR THE "Day Of"

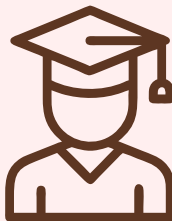

The Civic Centre is HOT.
Wear something light/ not
too many layers.

Ties & collars look great
underneath! So does
jewelry! You don't need to
be too fancy - think 'smart/
formal' or 'wedding guest',
not "bride" or "prom tuxedo."

Wear something that can be
zipped up under your gown -
it must be done up for the
photo & ceremony.

You only get **1 CAP, 1
GOWN, & 1 STOLE**. Keep
them safe! Put your name in
your cap, or you might not
get it back!

Your tassel should be sitting
on the right side. You may
need to pin or clip the hat to
your hair to keep it in place.

The longer V-point of your
stole should be facing your
back.
